Beyond the Bandages

A Journey of Care, Compassion, and Communi

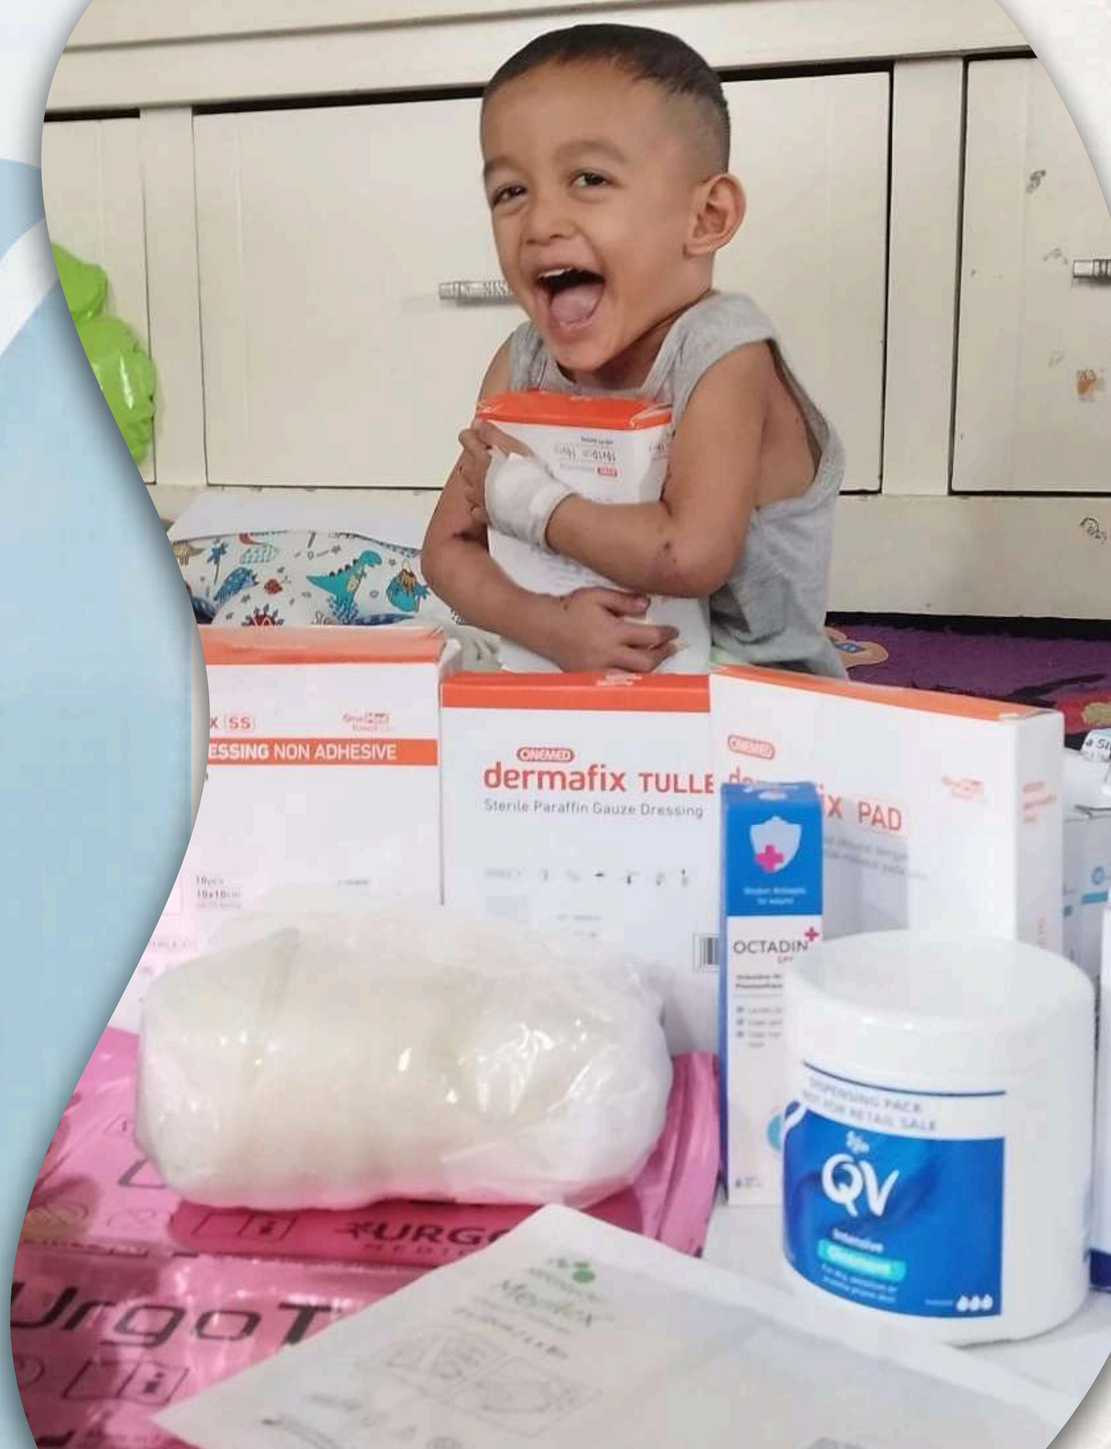

Yayasan KEBI × BIWA

Meet Yayasan KEBI

- Founded in 2023, KEBI is an independent Indonesian nonprofit foundation supporting individuals and families living with Epidermolysis Bullosa (EB).
- Our work focuses on wound-care assistance and education.
- We also provide emotional support and community empowerment.

No family should face EB alone.

When Everyday Touch Can Hurt

- Epidermolysis Bullosa is a group of rare genetic conditions that make the skin extremely fragile.
- Minor friction may cause painful blisters and wounds.
- Many affected individuals need ongoing, specialised care.

Wound care is a daily necessity, not a one-time expense.

Care Beyond the Bandages

Monthly Wound-Care Support

EB Education and Awareness

Family and Mental Health Support

Community Fundraising and Partnerships

Every Package Carries Hope

272

care packages distributed by KEBI in 2025

- KEBI coordinates essential supplies and sends packages to families across Indonesia.
- KEBI also develops education, peer-support and community programmes.

This represents KEBI's overall 2025 distribution, not packages attributed specifically to BIWA.

Thank You for Being Part of Our Journey

Rp15,000,000

Financial contribution received from BIWA on 15 May 2025.

We sincerely appreciate BIWA's generosity and ongoing relationship with the EB community.

How Support Reaches Families

1. Family requests

2. Needs verification

3. Supplies procurement

4. Packing and delivery

5. Distribution follow-up

Every contribution becomes part of an organised support process.

The Need for Care Continues

23 wound-care requests recorded in November 2026

- Non-adherent dressings, foam dressings and sterile gauze.
- Moisturisers and other specialised care items.
- Families need carefully selected products suited to fragile skin.

23 requests, not 23 completed deliveries.

Ordinary adhesive plasters may cause skin damage.

Together, We Can Make Care More Accessible

- Targeted Wound-Care Supply Donations
- Monthly or Quarterly Support
- EB Awareness and Community Fundraising
- Transparent Impact Reporting

Let’s turn compassion into sustainable care.

Your Kindness Goes Beyond the Bandages

Thank you, BIWA, for standing with individuals and families living with EB in Indonesia.

Together, we can keep care within reach.
